

1. Navigate to <https://dashboard-production-nghl.onrender.com/login> and authorize.
2. Once authorized click on the **Integrations** Left Menu item.
3. Click on the **Integrate** button for **RockDaisy, LLC** section.

The screenshot shows the Dashr dashboard interface. On the left is a dark blue sidebar with the Dashr logo and a menu containing: Leaderboard, Athletes, Results, Reports, Integrations (highlighted in blue), and Store. The main content area is titled 'Integrations' and features a grid of integration cards. Each card includes a name, a description, and an 'Integrate' button. The 'RockDaisy, LLC' card is distinguished by a green 'Integrated' status with a close icon. In the top right corner, there is a notification for 'Roster Spots: 4' with a 'Buy More' button. The footer of the page reads 'Dashr Performance Systems ©2023'.
